Paolo Doyle

Reclamation

29th October - 16th December 2018

Paolo Doyle is a Scottish artist living and working near Collieston on the north-east coast. His work is figurative, imaginative, and aims to engender contemporary narratives while maintaining traditional disciplines of observation, draughtsmanship and craft.

A graduate of Gray's School of Art and the University of Aberdeen, he spent the first half of his adult working life as an ecologist, studying wildlife, particularly birds. He now devotes his time to making art and occasionally teaching. He has exhibited widely in Scotland and abroad.
